

Let's make...

## Q-Tip Skeletons!

### Materials Needed

Construction paper  
9 Q-tips  
Glue  
Marker or crayon  
Scissors

### How to Make It

1. Draw a circle on construction paper. Draw a face within the circle.
2. Cut out the face and glue it to the construction paper.
3. Take one q-tip and with one end touching the bottom of the face, glue it to the paper to form a body.
4. Take 4 q-tips and lay them across the body. Glue them down.
5. Take 2 q-tips and glue them on each side of the body to form arms.
6. Take the remaining 2 q-tips and glue them under the body to form legs.
