

When you are done with this paper, you can...recycle it...make a paper airplane...draw a picture on the other side...make a pinwheel...make paper snowflakes...give it to a friend...make a paper fortune-teller...shred it and

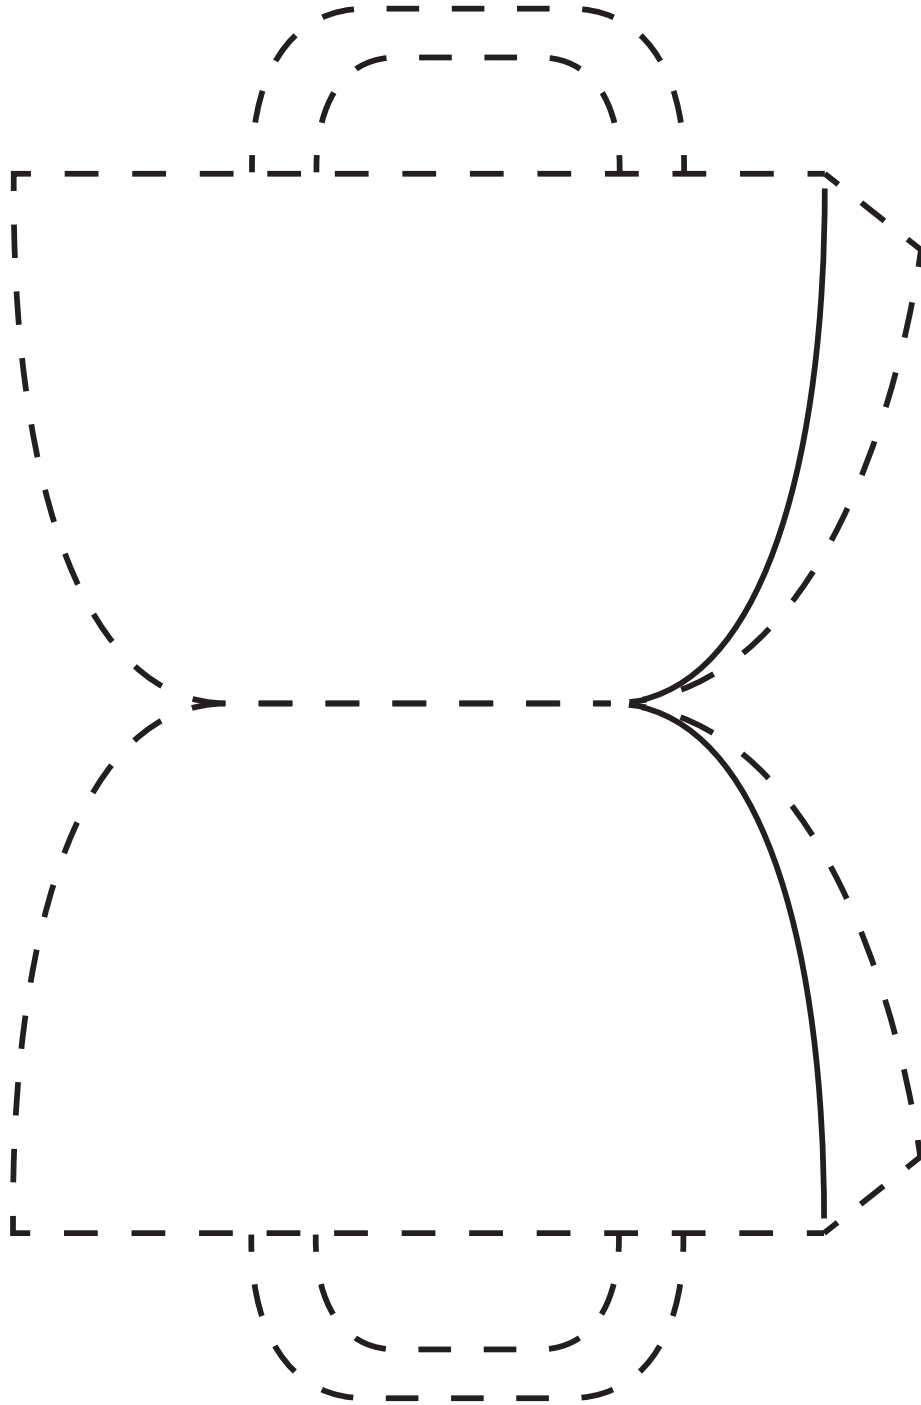

and cut holes for eyes...make a paper hat...color the other side to make a placemat for your next meal...make new paper

# Little Green Steps

# "Pack Smart"

Cut out, color and fill the lunch box with items that are packing smart

add it to your compost bin...write something on the other side...draw a mask on the other side
