

Let's make...

Caterpillar Fruit Salad!

Materials Needed

- Foam egg carton, washed thoroughly with soap and water
- Pipe cleaners
- Hole punch
- Apples
- Bananas
- Strawberries
- 3 yogurt flavors

How to Make It

1. Slice fruit.
2. Cut egg carton in half lengthwise.
3. Using hole punch, punch hole in each side of first compartment of egg carton.
4. Insert pipe cleaner into each hole to form the caterpillar's legs.
5. Fill first 3 compartments of egg carton with sliced fruits.
6. Fill last 3 compartments of egg carton with yogurt.
7. Dip fruits into the yogurt for a great caterpillar snack.
